City Wine Event:

***"Private Tasting with
Ben Parsons of The
Infinite Monkey
Theorem"***

We have a special treat for you this Saturday: a rare private

tasting with winemaker Ben Parsons, who makes the Infinite Monkey wines. These are probably Colorado's best-known wines, made in Lo-Do, but using Colorado fruit.

Ben will be signing bottles for anyone who wants one, and we will be pouring four Monkey wines, including TWO NEW RELEASES!

Date: Saturday Aug 20

Time: 3-5 p.m.

Place: 347 S. Colorado Blvd

(as always, no charge)

Here is what Ben will be pouring:

- 2010 Verdelho (new)
- 2010 Rose'
- "The Blind Watchmaker"
- 2010 Syrah (new)

Wine Feature!

Saint Martin 2006 Coteaux du Languedoc Reservee

[Info on the Garrigue](#)

A tank-raised blend of Merlot, Cabernet and Grenache - is irresistibly brimming with exuberant red raspberry, tinged with wood smoke in the nose, and accompanied by hints of sage, marjoram, and mint on a, refreshingly bright, yet impressively lush palate. Fresh, herb-tinged strawberry and raspberry saturate the finish as though they were being exuded straight from a chinois. This is terrific now and is a red you ought not to fear chilling slightly for barbeque season.

\$14.99 (was \$18.99)

CityWine is always tasting and bringing in new wines. We now have a "What's New" rack in the tasting room. Stop by to browse some of our new selections we are excited about!
